

To all BBBS Bigs, Littles, and Families,

We send you all our best wishes for your continued health and safety. To help keep you engaged virtually, you are invited to join other BBBS participants and supporters as we offer additional programming options. While it is recommended for matches to use these to connect with one another, please feel free to include your family members too! As you can see, we're trying out a variety of virtual platforms and welcome your feedback to see which ones work best. Also, please let your Match Support Specialist which events you attend so we can keep track of those that are most attended, for future offerings. We welcome your suggestions as we look ahead to May.
