

*Does teaching seem more overwhelming than in years past?
Would you like to improve children's behavior and SEL skills?*

You may be eligible for FREE teacher support services

ACGC's mental health consultants can provide:

- Trainings on a wide range of topics
- One-on-one meetings to discuss your classroom's success
- Teacher support groups
- Tools to enhance staff self-care
- Trauma-informed care strategies
- Information on childhood development and SEL skills

Speak with your center's director for more information!
