The SX6 Strategic Plan is a community-wide roadmap that ensures all children in Austin/Travis County enter Kindergarten happy, healthy, and prepared to succeed in school and beyond.*

*The SX6 Coalition*

- *values diversity and strives for equity in everything we do;*
- *honors the primary and vital relationship between parents/caregivers, families, and their children;*
- *and agrees early childhood professionals should be provided with respectable working conditions and a living wage for their important work.*
