

“Empower Me KidSafe!”

2017-2018 Child Safety Programs

KidSafe for Kids, *Empowering Children with Personal Safety Skills*

\$515.00 per classroom

8-week curriculum for children grades Pre-K 4 – 5th grade. Students are empowered with important safety skills through developmentally appropriate education techniques such as role play, song, art, discussion and books. By learning a comfortable language of safety, and identifying their Circle of Safe Adults, children know how to stay safe and access help.

KidSafe for Parents and Guardians, *A Seminar for Keeping Your Children Safe*

\$775.00

KidSafe provides parents and guardians the skills to keep your kids safe. We openly discuss the myth of stranger danger, we educate you on how to identify red flag behavior of other adults, show how to identify red flag behaviors of children, and teach reporting, communication, and the KidSafe language of safety. This seminar provides the tools to talk to children about sensitive topics in a comfortable, natural manner. Subjects covered include *Sexual Abuse Prevention, Internet Safety, Bullying, Cyber Bullying, Body Boundaries, Stranger Danger Myth*, and much more.

KidSafe for Educators, *Training for Child Sexual Abuse Prevention*

\$775.00

This workshop covers topics teachers need on a daily basis: how to recognize children at risk for abuse (sexual, physical, and emotional), how to help children deal with bullying, neglect, and peer pressure, how to respond to disclosure, understanding your role in mandated reporting, and ways to reinforce the use of KidSafe Prevention skills at school. This Professional Development seminar arms teachers with awareness skills which can be integrated into their everyday classroom management to ensure that they are their students' first line of defense.

KidSafe for Educators, *eLearn Training for Child Sexual Abuse Prevention*

\$775.00

Developed to allow educators to access the KidSafe for Educators workshop at their convenience, this hour-long training is divided into four segments that teach educators all the topics taught at the onsite seminar. Review questions are presented after each 15-minute segment, and assist current and future educators with the skills necessary to manage a safe and learning-conducive classroom.

KidSafe for Adults, *Protecting Your Children from Online Predators*

\$775.00

Participants will learn how to deal with complex internet dangers using concrete KidSafe safety skills. The program teaches a language of safety which participants can begin using immediately to keep their children safe online from predators, cyber bullying, pornography, “sexting”, and peer pressure.

KidSafe for Organizations, *Customized Program Development*

KidSafe Foundation will come to your school, agency, police department, organization, business, camp, or place of worship, and trains adults in Sexual Abuse Prevention who work with children. **KidSafe's goal is to provide adults working with children up-to-date research and education on how best to prevent child sexual abuse.** As a child-serving professional, you will learn appropriate boundaries, language of safety, grooming techniques of offenders, characteristics of offenders, proper responses to suspected abuse, imperative skills for responding to a child disclosing abuse, how to report abuse, characteristics of a child being harmed, and so much more. CEU's available.
