Who are We?

OUR MISSION

The Right to Immigration Institute (TRII-pronounced “Tree”) is an immigration nonprofit and the first of its kind to apply the law school clinic model to the undergraduate level for immigration law. By training undergraduate students so they can become representatives for non-citizens in immigration court, TRII aims to make sure no one must face the immigration process alone.

OUR STAFF

Victoria St. Jean, Executive Director
Douglas Smith, Program Director
Lauren Gearty, Senior Attorney
Jonathan Goldman, Relations Director
