TOMORROW'S GIRLS & WOMEN, is a 501©(3) non-profit community enrichment and empowerment organization that promotes leadership and development, cultural awareness and community revitalization

TOMORROW'S GIRLS & WOMEN, mission is to actively be of service to others as an inspirational model of living and working together to create community and social change.

We envision a community culture grounded in love: embodying compassion, honesty, self-responsibility, delighted in diversity, cooperation, and the honoring of all ethnicities. This vision recognizes the interconnectedness of everyone and supports living with intention and purpose.

TOMORROW'S GIRLS & WOMEN believe that no act of kindness is too small, and that any act of kindness can change a person's life. Therefore we intend to do what we can, when we can, where we can.

We recognize that the most important factor in our success is our relationships with the communities we serve. We emphasize and encourage personal growth: safety and trust, compassionate communication, and self-awareness. We aim to build social connections and a sense of community with planned activities geared towards senior citizens, young girls ages 8-15, single mom's, homeless shelters, working parents, etc.

TOMORROW'S GIRLS MENTORING PROGRAM

"One Girl Can Change the World."

...is our motto. Our mission is to show every young lady in the program that they can indeed be "that girl."

One important aspect of the **TOMORROW'S GIRLS** program is its focus on the involvement with peers. Youth will learn more about themselves through their interactions with others. But it takes a special atmosphere to make this happen. For personal growth to occur, they must feel comfortable, safe, and valuable. They will receive this and more at **TOMORROW'S GIRLS**.

The girls are exposed to such skills as: creative writing Fashion, sewing, jewelry making, crafts and other creative Projects. HOW YOU CAN HELP

Volunteering is an act of altruism, a spirit of goodwill for one's fellow neighbor. In particular, giving through intergenerational opportunities encourages all people, young and old, to engage within a more intimate and personal, yet universal dynamic. If you have time to give, please consider volunteering for a **TOMORROW'S GIRLS & WOMEN** event.

Lending a helping hand allows each one of us to stop, listen, and take time that might otherwise be consumed by the general hustle and bustle of today's world. Volunteering helps meet needs at the local level—not from a distance—and in a way that permits us to give back to our community.

Volunteering for **TOMORROW'S GIRLS & WOMEN** requires a one-day commitment of your time and energy, but it is a fun and enjoyable way to spend your valuable time, with the added benefit of helping you're neighbor and yourself!.

If you are interested in being a volunteer for a day, please visit our website (www.tomorrowsgirls.org) to see what upcoming events we have. Then contact us @ Tomorrowsg@gmail.com

Not able to volunteer, no worries, **TOMORROW'S GIRLS & WOMEN** also accepts monetary, in-kind donations and crafting supplies.
