

Clarehouse®

Living. Loving. Sharing.

Clarehouse provides a loving home, quality end-of-life care and access to hospice services to people in need.

We are home and family to dying people in need.

Care Services

- Personal care such as bathing, dressing, toileting, assistance with transfers and repositioning, assistance with eating and assistance with medications
- Meal preparation, laundry and housekeeping
- Comfort care and symptom management
- Teaching about the dying process
- Collaboration with your medical hospice provider

Our focus is helping you live fully throughout the dying process, according to your personal goals and values.

Around-the-Clock Compassion

We provide total care with licensed nurses and caregivers around the clock. Trained volunteers assist with caregiving and household tasks, as well as emotional, spiritual and social support. Families are welcome to stay with loved ones, with a bed and amenities provided for comfort.

We work closely with local hospices and hospitals in the referral and admission process, and coordinate ongoing care with your hospice provider.

Home. Sharing. Peace. Dignity. Love. Warmth. Joy.

Am I ready for Clarehouse?

Clarehouse provides short-term care for dying people in need. Talk to your family and hospice nurse about when the timing is right for you.

- Life expectancy of a month or so
- Comfort focused care
- Do Not Resuscitate/Allow Natural Death Status
- Enrolled in a local medical hospice program

We believe that every moment matters and strive to provide comfort and support while respecting your dignity.

How do I become a guest?

A simple phone call starts the process. We accept referrals directly from individuals in need, family members, hospice staff, doctors and hospitals. Once a referral is made, we gather medical information from your hospice and determine if we can meet your needs.

Individuals and families are invited to tour Clarehouse during daylight hours. No appointment is necessary.

Once mutually agreed that Clarehouse is the right choice for you, a bedroom will be offered as soon as available. This process usually takes about a week. Your hospice will arrange for your transportation to Clarehouse and the delivery of needed medical equipment.

What are the costs?

All Clarehouse services are provided free of charge. We are a 501(c)3 public charity and are funded entirely by donation. We do not bill Medicare, private insurance or individuals.
