Affair. Information about Avivar Cad IPS Foundation

For us it is a pleasure to inform that in the year 2017 we support the FOUNDATION AVIVAR CAD IPS, identified with nit: 900.986.371-3 located in the city of section - Antioquia. Which works with a drug-dependent population or that have some type of addiction. This support was made through donations in species (vegetables-tubers-fruits-grains) that were used for the preparation of the food of said population.

To this day, we continue to support the Foundation in the same way, thanks to the achievements and evidence of the work they do in the population, besides being a serious and respectful foundation, which has given us all the certificates of law about our donations.

Cordially:
