“CHARITABLE FOUNDATION
“PROOSVITA”

OPEN! CHANGE! CREATE!
CHARITABLE ORGANIZATION “CHARITABLE FOUNDATION “PROOSVITA”

was created in April of 2016 with the purpose of carrying out charitable activities in the interests of society in order to develop education, dissemination and implementation of quality methods, forms and principles of education in Ukraine.

MISSION OF THE ORGANIZATION:

The mission of the organization for the next 5 years is to create conditions for the formation of conscious civic position of children and young people of rural areas and small towns of Ukraine.

+380668385344 proosvitа.org.ua info@proosvitа.org.ua
1. Facilitation the expansion of citizens’ access to quality education;

2. Implementation of educational activities in the field of civic education, human rights and democracy;

3. Accumulation of funds for educational projects related to the development of education in Ukraine;

4. Promotion of sustainable development of communities and improvement of comprehensive education of Ukrainian citizens.
• Civic education for children and adolescents in villages and small towns of Ukraine
• Support of the public participation of amalgamated communities’ children in the processes of decentralization and community development
• Educational development of the most vulnerable categories of children and youth
DEVELOPED CHILDREN - DEVELOPED SOCIETY

Implementation term: April-October 2016
Aim: Development of cognitive, emotional and volitional spheres of primary school children which are staying in the centers of social and psychological rehabilitation through correctional and developmental training.

Project objectives:
1. To conduct diagnostics of mental processes of elementary school age children
2. To prepare a program of training sessions, in accordance with the results of carried out diagnostics
3. Conduct correction-development trainings (12 sessions, 4 times a month)
4. Develop a monitoring scheme during and after the events
5. To involve socially active young people to such trainings.

The project was implemented with the financial support of President of Ukraine’s grant for gifted youth at Kyiv-Svyatoshinsky Center for Socio-Psychological Rehabilitation of the Population in Boyarka.
MY RIGHTS - MY LIFE

Implementation term: April - May 2017
The aim of the project is to raise awareness among young people (residents of 3 villages in Ivano-Frankivsk oblast) about fundamental human rights and mechanisms of their protection. 

Target group: youth, age: 14-23 years, inhabitants of Ivano-Frankivsk region villages.

The results of the project were:
• 1 educational program was developed, and can be used for further work in other regions of Ukraine;
• a 3-day educational seminar was held in Stetseva village (Ivano-Frankivsk region) with the involvement of young people from 2 villages located nearby (village Potichok, village Podvysok);
• a questionnaire was conducted before and after the event to assess its effectiveness and identify the needs of young people regarding possible topics for further educational activities;
• the level of participants' knowledge about the essence of human rights and their protection mechanisms has been raised;

The project was implemented in cooperation with Ukrainian Helsinki Human Rights Union within the framework of the Action Plan for the All-Ukrainian Educational Program "Understanding Human Rights“ supported by the United States Agency for International Development (USAID) and with the assistance of the Snyatyn City Council’s Education Department.
THE YOUNG GENERATION OF COMMUNITY

Implementation term: April - June 2017
Aim: to raise the level of awareness of 10-11 grade pupils in rural schools of the amalgamated community (AC) about the decentralization process and its role in community development through a series of interactive workshops.
Target group: Schoolchildren of 10-11 grades of Dunaevetska AC village

The results of the project were:
• a survey was developed and conducted before and after interactive workshops among the pupils of grades 10-11 of AC’s rural schools to determine the level of awareness about the decentralization reform;
• a series of interactive exercises has been developed to raise awareness about decentralization reform;
• 6 lessons were held to raise awareness about decentralization reform;
• 1 contest of mini-projects was held among pupils of 10-11 classes of rural schools of AC;
• the level of awareness of pupils of the 10th-11th grade of rural schools of the AC regarding the decentralization reform was raised;
• an understanding of the importance of reform in the context of development and quality of life in AC was formed.

The project was implemented with the support of the Swiss-Ukrainian project "Support for Decentralization in Ukraine" DESPRO and in partnership with the Dunaevetska City AC.
