DONATING TO THE FARM

Pet owners understand the cost associated with caring for their pet. Food, vaccinations, crates, vet care all add up far too quickly.

Your tax-deductible donations enable The Furry Farm Rescue to make a life changing difference in the lives of the animals in our care.

We are a registered 501c3 non-profit rescue organization 100% of all fees and donations we receive goes to animal rescue.

ADOPTING A FARM DOG

When you see an animal you would like to find out more about and meet, please fill out our adoption application at thefurryfarmrescue.org

Our adoptions are not first come first served, but rather a match between the needs of the animal with the best potential adopter.

With review of your application, we check references and speak to your veterinarian. We will also schedule a time for you to meet and get to know each other. If you have other animals, we will want to do introductions at that time. We then ask you to take a few days to think about it before making a decision. Next, we come to your house and do a second meet and greet before finalizing the adoption. All adopters sign a contract with the Furry Farm Rescue. All of our adoptions come with a 2 week trial period. This allows you and your new furry friend some time to bond and ensure this is a forever family.

Our Adoption fees range from \$50 to \$275 for dogs. Each dog's fee will be listed in their biography.
