

The Charity of Childhood and Family in Jordan Valley (Deir Alla)- Jordan.

Main points about the Charity:

- This Charity was established on 30/12/2008.
- Located in Jordan Valley (Deir Alla).
- The charity activities cover all the valley areas, which are about 14 district areas.
- The number of (Deir Alla) resident's people is above 70 thousand people.
- This charity is the only one that specialized in childhood and family issues.
- Members of charity are 76 persons, both of male and female.
- Board of the charity consists of seven members, male and female, elected every two years.
- The charity logo is (happy family and carefree childhood).
- Majority of the region population is mostly young people (male and female), where the community is described as a young society.

The Charity Goals:

The charity is seeking to achieve a number of the following volunteer and social development goals:

- 1) To protect women and children from violence.
- 2) To pay more attention to the handicapped category of children.
- 3) Enhancing the women status in the society and enabling them to play their role.
- 4) To encourage the developmental role of women and the family.
- 5) Caring for children less fortunate.
- 6) To take care about the talented and gifted children.
- 7) Holding courses, seminars and lectures that will contribute to the awareness of women, family, in social, healthy, environmental, developmental and cultural issues and other issues related to the development of families and individuals in this area.
- 8) Establishment of specialized social and cultural centers.
- 9) To support the individual and collective developmental projects, which aimed at empowering communities to stand on their selves?
- 10) Helping individuals and poor families who are unable to work.

11) Providing financial support for the outstanding students, both in schools and universities.

In order to achieve these goals and ambitions, the charity is working hard to motivate young people, and to work as one team, to achieve greater achievements in improving the quality of life of the region families.

The Implemented and Proposed Projects and Activities of the Charity:

1. Implementing a different programs and activities in the educational and environmental topics, by holding seminars, lectures and regular meetings.
2. Holding an annual ceremony on the mother day, and providing rewards to a number of the outstanding mothers.
3. Holding annually in cooperation with Zain cellular communications, medical days through mobile medical clinic for children.
4. Establishment of an educational and training center for information technology, for young people, since there is a real need for this center.
5. Preparing to open a training center for sewing, knitting and other crafts for Women in the local community.
6. The charity looks forward to the establishment of outstanding cultural center for children, looks like Haya Cultural Center and Zaha Cultural Center, but in a simple phrase.
8. Seeking to build a permanent complex on its owned land, which will consist of the administration offices, a hall for the charity public meetings and celebrations, a kindergarten or nursery school, center training for Women in the region, and any other future activities?
9. The charity recently has got approval of the Ministry of Social Development to set up a specialized center to care for the disabled children, and now we are preparing and equipping of the building, but the charity is still in need of financial support in order to complete the preparation of the required building.
