

Customized supports to help you achieve independence

What is Tangram?

Tangram is a 501 (c)(3) non-profit United Way organization serving individuals with disabilities in Central Indiana. Tangram works to create inclusive communities so that the individuals we serve can live independently, find employment opportunities, discover their passion, and achieve their goals.

Services crafted for individual needs

Tangram is a leader in creating lives of purpose and meaning for individuals with disabilities. Establishing independence is an essential part of any life. To this end, Tangram develops customized support to ensure that each individual can experience the full spectrum of living. This personally-tailored approach builds a framework of strategies and techniques that are specific to, and supportive of, each individual. No matter what someone's goals or abilities may be, our promise is to provide services that meet each individual at their level, ensuring that everyone we serve has the opportunities and the tools they need to build the life they have envisioned for themselves.

Why choose Tangram?

Tangram's Community Living Services, consistently awarded the highest accreditation by CARF International, employ strategies tailored to the unique needs of each individual we serve. Tangram's services may be funded by the Family Supports Waiver (FSW), the Community Integration and Habilitation Waiver (CIH), or clients may choose to self-pay for support services, which include:

- Community Living Supports
- Individual and Group Community Integration
- Community-Based Habilitation-Individual (CHIO)
- Participant Assistance and Care (PAC)
- Respite Care
- Transportation Services

Don't have a waiver? With over 30 years of experience, Tangram can also help you apply for any benefits for which you qualify. Just call us!
