If you have time, like our volunteers you can join us at least once a month and work together. You can help with your knowledge, materials, networks or links, prayers, and other ways. Come be a friend and mentor. Everything helps.

CCCN is soliciting for finances, reading and learning materials, clothing, shoes, and many other things.

In Ghana here, online donation is a bit challenging, but you can still donate through and by bank wiring, money transfer, mobile money, and other banking methods.

All donations are received in the organization's name. No individual receives a donation on the organizations name, unless there is an approval from the authorities based on special reasons.

We hope you can consider supporting us in this endeavor by donating between \$1 to \$25, or \$25 to \$50 or \$50 to \$100, and even more. Every little bit counts.
