

Sanitary Pad Project

Helping make a difference in the lives of poor and disadvantaged school girls in Zimbabwe's rural areas.

Introduction

- The project was launched in Seke Rural District in Mashonaland East province in October 2015
- To date 100 school girls from Chirimamhunga Secondary School have since benefited from the project
- The school was visited twice in October and November and on these 2 occasions the girls received sanitary pads for free
