MISSION

To create an inclusive community by promoting **confidence, leadership, and social justice** through the sport of skateboarding.

EVENTS

Each year, Skate Like a Girl hosts two large-scale events, **Rock N Rollers** and **Wheels of Fortune**. For information on sponsorship opportunities, contact us!

WHEELS OF FORTUNE

Each year, Skate Like a Girl hosts **Wheels of Fortune**, the largest and longest running skateboarding gathering for non-traditional skaters! This epic weekend brings together folx from all over the world to skate and build community, including the likes of Vanessa Torres, Lacey Baker, and Sammaria Brevard.

ROCK N ROLLERS

2017 marks Skate Like a Girl's 4th annual benefit show, **Rock N Rollers**. In the past, performers such as Kimya Dawson, Mommy Long Legs, and Tacocat have graced the Vera Project stage to support our work. A highly anticipated event, Rock N Rollers brings out 400+ concertgoers with a goal of keeping our wheels turning all year long.
