Second Term Report 2017- 2018 (December 2017 to March 2018)

About SNEH Foundation:

SNEH Foundation is a registered NGO under Bombay Public Trust Act of 1950. SNEH Foundation was founded with a vision to provide equal means and opportunities of education to the underprivileged children of our nation, spreading awareness pertinent to health issues and making the underprivileged families cognizant of a nutritious meal.

About SNEH Pre-School:

SNEH Pre-school was established on January 26th, 2013 with the objective of providing education to the underprivileged kids. Currently, we have around 55 kids in two standards Nursery and Jr. KG and a dedicated full-time teacher and assistant teacher to teach them.

Vision:

The school has been set up with an objective to spread education and to shape the future of our country. Our vision is to provide quality education, better health and nutrition to underprivileged kids.

Mission:

Our vision is to reach out to the children for whom education is only a dream and to provide quality childcare and education in a safe environment.

SNEH Pre-School in a nut shell

Key points

- Around 150 kids combined in three classes Nursery/JKG/SKG
- Staff of 4 head teachers and 4 assistants to support the initiative.
- 30% fees is paid by the parents and 70% is sponsored by SNEH's change makers.
- School works on a Sponsorship model where every kid's education is partially sponsored by a well wisher.

Unique Aspects

- Activity based learning using smart tools
- Rigorous Screening process to identify most eligible (needy) kids
- Visit by SNEH volunteers every Saturday to monitor progress.
- Regular health checkups for all students.
- Admission is free for families who cannot afford the fees.

Sustainability Aspects

- Parents' counselling session to groom kids at home as well.
- Prepare parents to be knowledgeable enough to check the assignments from kids.
- Counselling of parents for outgoing kids on RTE.
- Focused attention for tie up with schools for RTE admissions.

Branch - RAINBOW

Branch - RED

December Month:

Activities and Celebrations

Nursery and Jr. KG

1. Exhibition on 'Shelters' and parents meeting - 2/12/17

Background:

- Children were provided information on shelters with proper resources.
- shelters have the capacity to provide the range of protection and support services necessary, it was an introductory session for kids.
- We introduced them about shelters like – human- house, birds-Nest, lion - territory, Rabbit – hole etc.

Purpose:

- Importance of shelter was discussed and children were explained about how difficult it is to live without proper shelters.

Activity:

- Lots of efforts were taken by parents.
- Parents made different types of shelters for the exhibition and they also presented the projects made by them with the respective information.

2. Healthy Recipe Session and competition (National Nutrition Day) - 21/12/17:

Background:

- Coming from marginalized communities, parents are usually not very cognizant about importance of nutritious food, health etc.
- Their daily challenges hold them back from knowing about things that are crucial for their children's growth and development.
- Keeping the same in mind, SNEH preschool took an initiative under which, parents were taught low cost nutritious recipes.
- Slum's day to day life is very different comparative to other areas, so we taught some easy and low cost healthy recipes to all parents.

Purpose:

- Knowledge about food that give essential nutrients were provided to our kids.
- The purpose of this activity was to educate parents about low cost healthy recipes that are easy to make and are very essential are necessary.

3. Green Day - 21/12/17:

Background:

- Sometimes color identification is difficult for kids. When we celebrate color day it helps them to identify and differentiate basic colors that are necessary for further conceptual understanding.

Purpose:

- Activity based learning is the only purpose of this activity.
- This activity helped them to identify green color and identify things like vegetables, trees, clothes having green color.
- They can easily recognize green color or any green things like green vegetables, trees etc.

Activity:

- All the students were dresses in green colored clothes and had brought green vegetables, balloons or other green material as per the availability.
- An activity named: choose the odd color out was also taken to reinforce the concept of green color.

4. Christmas Celebration - 22/12/17:

Background:

- Celebration of the birth of Jesus.

Purpose:

- The purpose of celebration of Christmas was that students must know different types of festivals in India and the diversity of religions, cultures etc.
- The main purpose was to educate children about a Christian festival as we celebrate other festivals too.

Activity:

- Distribution of gifts, chocolates, cakes children were also given an opportunity to dance, sing and spend time with the Santa Claus.

January Month

Activities

Nursery:

- Number and letter identification, jumping on numbers, jumping on letters.
- Coloring the picture.

Some more Pictures:

Thank you for your generous contribution and support.

We are in process of starting 3 new preschools in 2018-19 to reach out to more communities. Given below is the flyer comprising details of sponsorship for preschool education for the coming year. We appreciate your generous contribution and request you to spread the word about the sponsorship to your acquaintances to support our initiative.

Every morning, 5 year old Lakshmi wakes up to accompany her mother to households where her mother cleans the houses and washes the utensils. In a parallel universe, she would be getting ready for school.

Help* create this parallel universe for kids like Lakshmi!
