Subject: deepening our work

For us it is a pleasure to clarify your doubts, initially we would like to share with you our main corporate purpose:

" The object of the AVIVAR CAD FOUNDATION will be to execute social development programs and projects for the benefit of the community in the provision of health services understood as an essential public service and as an integral part of the health social security systems. In development of this object, will advance actions of prevention, treatment and rehabilitation of additions and consumption of psychoactive substances through a comprehensive therapeutic program. Likewise, it may market the goods and services derived from its corporate purpose. "

FUNDACIÓN AVIVAR CAD IPS (health service provider institution), the only rehabilitation center in the Urabá area (Apartado - Colombia) dedicated to the treatment and rehabilitation of people in a vulnerable situation with some kind of addition or consumption of psychoactive substances. Through a comprehensive therapeutic program lasting approximately three months, the patient is admitted to a detoxification, detoxification and rehabilitation process. And after the process of detoxification, detoxification, rehabilitation, goes into a follow-up process where the patient stops being hospitalized and starts having scheduled appointments with our professionals for follow-up.

We want to attach documents:

- patient history w.pdf: where one of our patients tells his life story and tells how his treatment was in the revive foundation.
