

Clarehouse®

Living. Loving. Sharing.

Clarehouse provides a loving home, quality end-of-life care and access to hospice services to people in need.

How Can I Help?

Our services rely on individuals who partner with us to provide end-of-life care to people of all ages, in a safe, comfortable and loving environment.

We hope that physical, mental, emotional and spiritual suffering will find relief at Clarehouse, through the loving touch of compassionate hands and hearts. We hope that, at Clarehouse, loving presence replaces isolation along the difficult journey of dying. We hope that peace-filled time and space help make meaningful memories during the final days surrounding death. **Most of all, we hope that in walking the journey through loss, we all learn to live more fully.**

Your donation to Clarehouse provides compassionate care for dying people in need. All our services are provided free of charge. This care costs \$275 per guest, per day, and your generous support is deeply appreciated.
