

Our Superstar Volunteer is Melanie Lewis. Mel has been a volunteer with Mousetrap Theatre Projects for 10 years. Mel was a Head Teacher in a hospital school before retirement and she brings the same warmth and energy to working with us!

Mel was a committed supporter of our programme, Teachers' Preview Club, and now gives time back to support the office administratively. She commutes into Central London once a week to help us with our audience development programmes, supporting our young members aged 15-24 to become independent theatregoers!

She is a hugely trusted member of the team who takes painstaking care of our young peoples' details. Mel is dedicated, hardworking and diligent with every task given. She has an amazing rapport with young people and is patient and thorough when communicating with them.

Mel doesn't like to have the spotlight on her, but we want to celebrate her as a long term champion of our work. No one loves the arts more than Mel! She is a massive theatre fan who goes to see a huge variety of shows with her 90 year old mum. She also supports all our events including our most recent Gala. She believes the arts are for everyone, even sharing her passion with her 5 year old grandson!

Mel keeps the office staff fed with vegetables from her allotment as well as lots of sweet treats and homemade goodies. She's also our 'secret weapon' in the team quiz every Friday with unrivalled general knowledge!
