

Mike Sullivan

It is our honor to nominate Mike Sullivan as our superstar volunteer. Mike's family-first values, love, and culture reflect on his passion and personal involvement in the treating and preventing of child abuse and domestic violence. Mike embodies a sincere humanitarian essence and his kindness has touched the lives of those who need it the most. For many years, he has demonstrated true passion for Richstone families by joining forces with us to host our annual Affair of the Heart Gala. Mike has earned the respect of the South Bay community and of his peers for his endless efforts and generosity to give back to the community. Once more, it is our honor to nominate Mike Sullivan as Richstone's rockstar volunteer.
