

What makes Raynette Yoshida a “Super-star Volunteer” for the Lan Su Chinese Garden?

First of all, it is the breadth of activities that Raynette is engaged in on behalf of Lan Su. Her roles include: Garden Host (welcoming visitors as they enter the garden), Guide (touring visitors around the garden to learn about the beauty and complexity of this unique garden and work of art), Membership Promoter (skillfully interacts with visitors to promote becoming a member of Lan Su Chinese Garden), Fundraising Committee Member (assists in planning Lan Su’s annual fundraising dinner and auction), and Event Volunteer (assisting with after-hours events for donors.)

Raynette Yoshida brings a contagious enthusiasm to whatever she takes on. Then it is her thoughtful study, problem solving, and excellent communication skills that help her succeed in all her volunteer roles. She is a great team member but also works well independently. She is an excellent ambassador for Lan Su in all her interactions – her work life, family life, and community life. Raynette has volunteered with Lan Su since June of 2002 (almost 16 years); yearly she exceeds 100 hours of service and recently surpassed an accumulated volunteer career total of 1700 hours.

Raynette Yoshida is Lan Su’s Super-star Volunteer!
