

THE POSSIBILITY PROJECT

EMPOWERING TEENAGERS TO CREATE A BETTER WORLD

April 2018

To Whom It May Concern:

It is my pleasure to recommend Susan Guest for the MissionBox Volunteer of the Month award. This is Susan's first year with the organization and she has been truly outstanding. Susan came to us at the beginning of the program year after witnessing one of our shows. She was so inspired and moved by what the young people did and immediately asked to be involved. She didn't care to what capacity, she just believed in the mission and wanted to contribute. Throughout the year Susan was with us volunteering and attending rehearsals with the cast. Whether it was helping out in rehearsals with the young people, providing help in the office, or simply being a friendly adult presence, she was essential.

The most important thing about Susan is the amount of love she has in her heart for our young people. She was never required to build relationships or be emotionally invested in the cast members lives, but she went above and beyond and was there as a support system. Being a senior citizen among a large group of teenagers can be challenging, but Susan rose to the occasion. The organization benefited greatly from having Susan, but more importantly she made an impact in their lives.
