To Whom It May Concern:

Youth for Troops is a youth-led, service-focused nonprofit 501 (c)(3) started out of our desire as youth to inspire our generation and all other generations to serve together and support our service members and veterans. We hope that our generation will develop a respect and appreciation for those that protect our liberties and freedoms through meaningful experiences and unique service opportunities. Our mission is “To inspire patriotism in fellow youth and across generations by volunteering on behalf of service members and veterans through community service, advocacy, and education.”

We are writing this letter in hope of consideration for presenting our mission at your organization or school. Examples of service projects Youth for Troops organizes or supports include: assembly of backpacks for homeless veterans, making plastic mats for homeless veterans, packing care packages for deployed service members, sending care packages to deployed K-9 units and service dogs, decorating boxes for care packages to send to deployed service members, and appreciation card drives for veterans and service members. Your organization could help Youth for Troops in our mission to support service members and veterans through education, advocacy, and service projects.

We have been passionate about serving and advocating for veterans and service members for many years and officially started our nonprofit in April of 2017. We hope our service projects will inspire others, too. You can see our calendar of events and examples of our projects at our website, youthfortroops.org, or on our Facebook page. We have a presentation that we share with organizations, businesses, and schools. We would be happy to present our PowerPoint and share details of our organization’s mission with you. Thank you for your time and consideration. We hope to hear from you soon.

Sincerely,

Hannah, Sophie, Heather
